

VOLUNTEERS NEEDED FOR THE 2011 CENTRAL OHIO FOLK FESTIVAL

People:

I hope you'll give some thought to volunteering at this year's Central Ohio Folk Festival. The dates are May 6-7-8. The skills required for most jobs include playing well with others, number recognition, counting, sitting, smiling, being helpful and welcoming.... and there are 75 such positions open.

If you want to help and there's a performer or workshop you just can't miss, let me know; the early birds really do get the worms where I have anything to do with it. Other perks involve hand written thank you notes, the adoration of the Festival Steering Committee, the warm feeling you get from helping other people ... maybe some chocolate cake ... let me hear from you soon?
